

“Your SBI KYC has expired. Update now, or your account will be closed tonight.”

A demo message, written by the team in the style of real KYC scams

WHO READS IT

74.
9 PM.
Bank closed.
Alone.

A demo persona, not a real person

₹4 lakh

lost to cyber fraud in India, every minute, on average.

₹22,495 crore

lost in 2025, across 24 lakh complaints

₹4,005 crore

of it, from senior citizens

MHA / I4C, Rajya Sabha, Feb 2026; seniors: MHA, Rajya Sabha, 5 Aug 2026. Spread evenly over the year, ₹22,495 crore is about ₹7,133 a second.

INTRODUCING

Sahayak सहायक

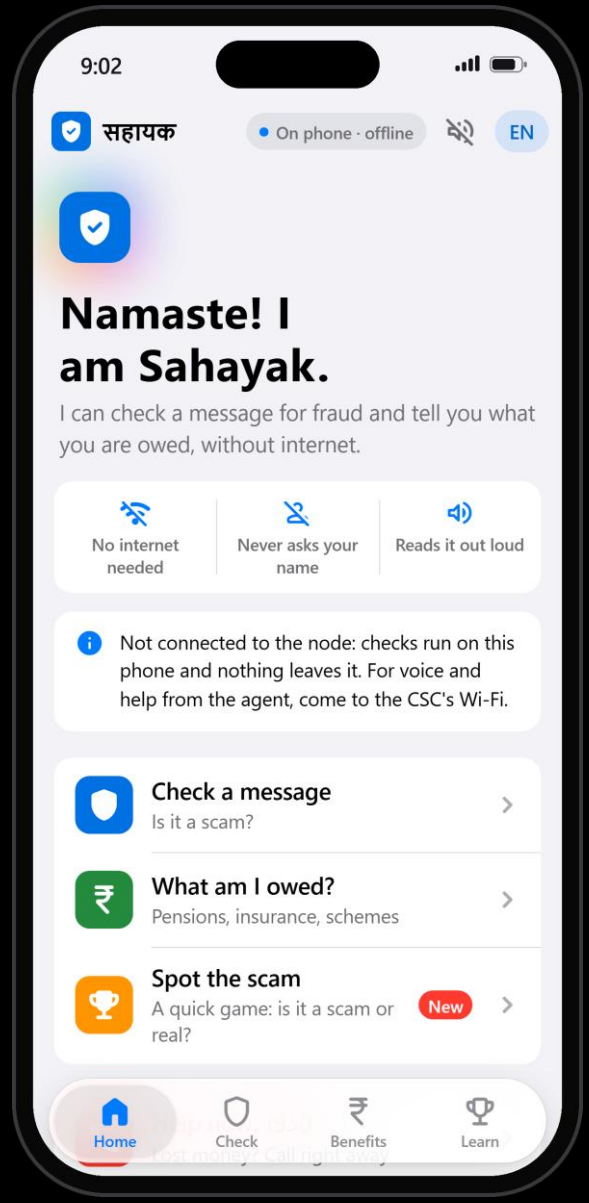

Someone to ask, before you tap.

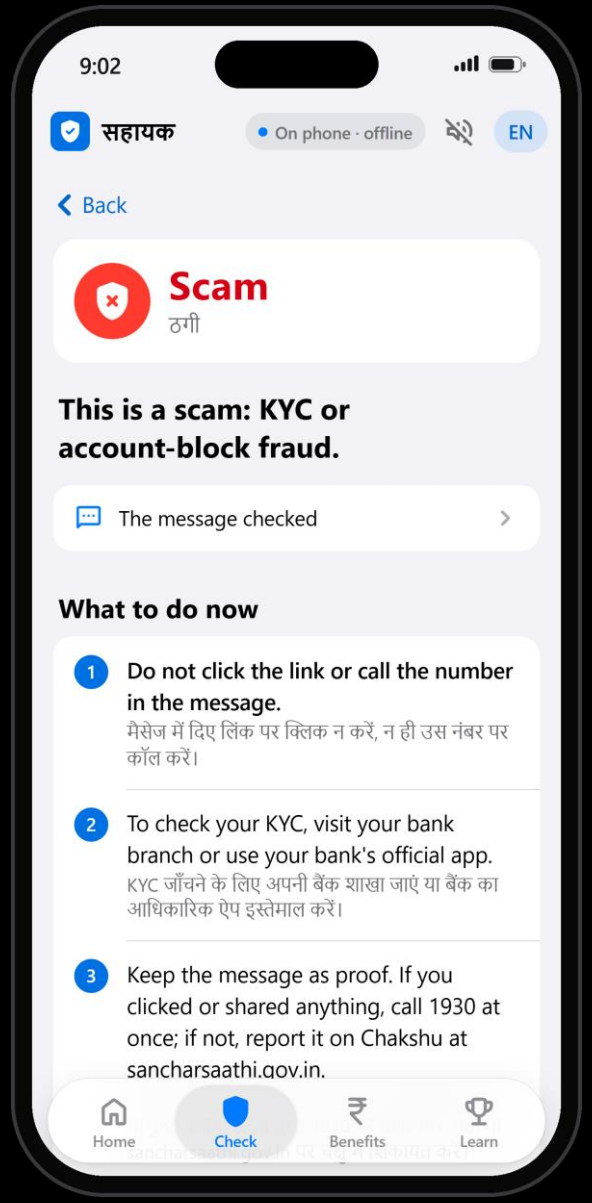

Spot a scam before the money moves.

Claim what you're owed.

CSC counter + your phone | Works offline | 22 Indian languages

Ishmiit Singh · Roshan Raj

BACK TO HER MESSAGE

Scam.

WHY

Personal number

Fake SBI link

KYC never by link

WHAT TO DO

Don’t tap · keep the proof

Money gone? 1930

Warn the family

Demo persona and SMS written by the team · the app’s answer, on a phone, 14 Oct 2026

WHAT SHE'S OWED

₹5 lakh

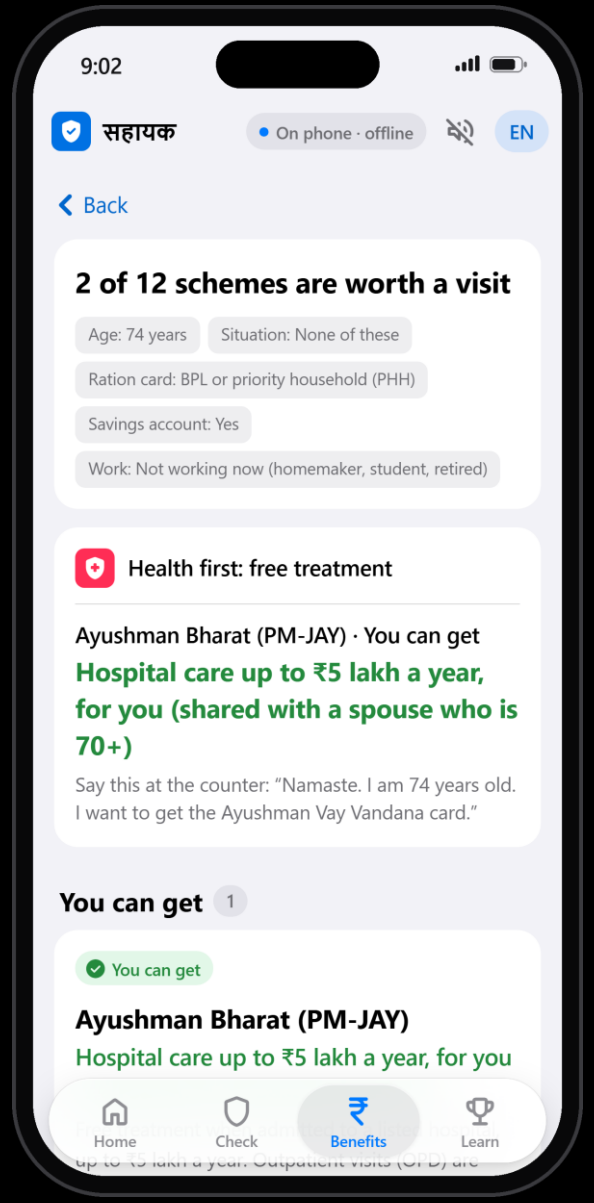

of free hospital care, every year.

Vay Vandana card · every Indian 70+

Fewer than 1 in 5 · had it by Feb 2026

5 questions · the words to say

Stop the scam. Claim what you're owed.

1.1 of ~6 crore aged 70+ had the card (MoHFW, Feb 2026) · shared with a spouse also 70+; hospital care only · screenshot: result for a 74-year-old

Try it.

Right now, on your phone.

1. **Scan the code.**
   Nothing to install. No account.
2. **Tap “Check a message”**
   then “Pay ₹500 for your Ayushman card”.
3. **Turn on airplane mode.**
   Try another. It still works.

How it works

1

You ask.

Type · Speak
A call · A UPI QR

2

Rules decide.

64 signals
On the device

3

A clear answer.

4 answers
Never “safe”.

Phone = counter: **1,841 of 1,841 checks.**

ROUND ONE: A LARGE AI MODEL WOULD DECIDE

So we tested one.

A 3B language model

SCAMS CAUGHT

99 of 103

GENUINE MESSAGES FLAGGED

21 of 34

Sahayak

SCAMS CAUGHT

67 of 103

GENUINE MESSAGES FLAGGED

11 of 34

A warning that cries wolf gets ignored.
So rules decide, and every answer says why.

qwen2.5:3b, zero-shot, on the same 137 real published messages, first runs, 7 Oct 2026. In languages Sahayak can’t read yet, the model caught 14 of 15 scams.

WE COULD HAVE SHOWN YOU

34 of 37

on messages we wrote

92 of 103

on a blind red team, written by an AI that never saw our code

THE HONEST NUMBER

7 in 10

scams caught on 137 real messages people in India received.

Scored once.

Not yet: real users, and messages from people's own phones. That's next.

In Hindi, English and Hinglish: 67 of 97 scams caught, 11 of 34 genuine flagged; published by the Income Tax portal, PIB Fact Check and fact-checkers · first runs, bench/results

THE PILOT

One district.

20	50	6	₹39 lakh
villages	counters	months	estimated

THE NEXT 30 DAYS

1. **A field morning at a CSC**
2. **Real messages from people’s own phones**
3. **A district partner**

Estimates, not quotes: the team’s line-item budget, 7 Oct 2026 (₹39.2 lakh). At 500 counters, about ₹24,000 a counter a year; the operator’s ₹9,600 is the biggest part.

India has **6 lakh CSCs.** We're asking for **50 counters.**

OUR ASK

Introduce us to one district.

One morning.

Six months.

Real numbers.

6 lakh functional CSCs, 4.7 lakh at gram-panchayat level (MeitY, Mar 2025) · the pilot's 50 counters: nodes at 20 CSCs, the phone app at 30 bank-agent points

ONE MORE THING

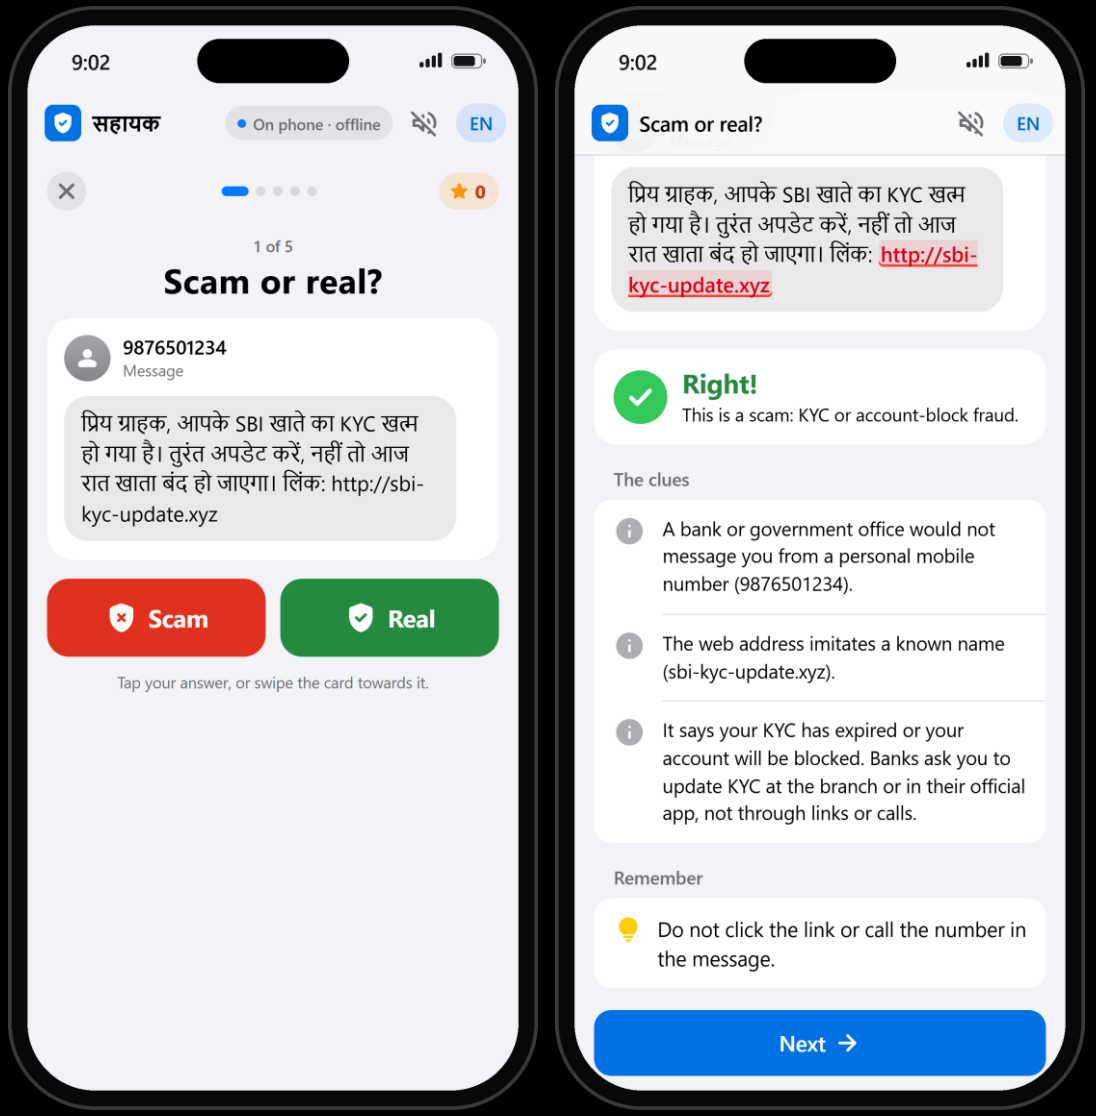

Spot the scam.

Know a scam before it arrives.

5 cards a round · scam or real?

Sahayak's own clues after every answer

Levels, badges · a new message daily

The Learn tab of the same app · every card agrees with Sahayak's own check (tests/test_game.py) · nothing leaves the phone

Nine at night. The bank is closed.

Now she has someone to ask.

Sahayak सहायक

Spot the scam before the money moves. Claim what you're owed.
